Continuation of Substance of Interview including description of the general nature of what was discussed: A call was placed to M. Saito on 8/10/05 to inform her that there also needs to be a terminal disclaimer filed the application as the combination of claims 1 and 3, and 1 and 5 of patent 6,671,924 is fully encompassed by allowed claims 5 and 6, respectively, of the application. Ms. Saito faxed a terminal disclaimer, along with a power of attorney, to overcome the double patenting rejection and maintain the application in allowed status.
